

II Applied Probability - Revision Notes

Martin von Hodenberg (mjv43@cam.ac.uk)

Last updated: February 24, 2023

These are my revision notes for the II course ‘Groups, Rings and Modules’, which was lectured in Lent 2023 at Cambridge by Sourav Sarkar. These notes are written in L^AT_EX for revision purposes¹. Any suggestions or feedback is welcome.

¹These notes are posted online on [my website](#).
